FRIDAY 31 MARCH

Interschool Athletics Carnival @ Salmon Gums Primary School

From the Principal:

As we pass the half way mark of Term 1, classroom routines are well established and our students are consistently showing excellence in everything they do!

After Hours Ground Use

As you may be aware, last week during social bowls there were incidents that involved misuse of school property. As stated, we understand that children and teenagers in attendance look for things to do during social events, but if they are to enter school grounds it **must** be under the supervision of an adult.

Assembly

Thank you to the Senior Room for putting on a fantastic assembly. Your item really showcased all the hard work and effort you are putting in to developing your persuasive writing skills. I am still unsure about which animal to choose as our school pet!

Faction Helper and Shade Request

We are seeking parent volunteers for a range of jobs during the Faction Carnival. Thank you to those families who have already returned their Faction Helper Request form. So we can assign people to jobs, please return any forms to the front office by Thursday 9 March.

The school also requires assistance in providing shade for our students, judges and marshals on the day. If you are able to provide shade, please contact the front office.

Interschool Lunch Orders

Please have your Interschool lunch order form returned by Friday 10 March.

Dairy Allergy

Please be reminded that we do have a student with a dairy allergy enrolled at our school. With the Faction Carnival approaching and a rolling morning tea available, please ensure that all share plates are clearly labelled. We thank you for your assistance and understanding.

Voluntary Contributions and Charges

We are now collecting Voluntary Contributions and Charges. Endorsed by the School Council and provided to all parents at the end of last year, these payments greatly assist in the provision and planning of a range of activities for your children. Please make cheques payable to Scaddan Primary School or directly deposit into the school account (details provided on the 2017 Voluntary Contributions and Charges sheet). If you need any more information do not hesitate to contact Mrs Berry or Mrs Letto in the office.

Jennibe Incursion

Next week, our students will have the opportunity to participate in an indigenous incursion that aims to promote respect, diversity and cultural competence. Please return forms and payment by Thursday 9 March.

School Council

The School Council works with the Principal on matters relating to the strategic direction of the school. All schools are required to have a School Council. Functions of a School Council include;

- Establishing and reviewing the school's priorities and directions.
- Reviewing the school's financial information to ensure there is sufficient funding to meet school priorities and directions.
- Formulating a code of conduct for students.
- Determining a dress code of students in consultation with them and the parent body.
- Promoting the school in the community.
- Providing feedback on and endorsing school policies.
- Approving Voluntary Contributions & Charges and booklists.

I am calling for more nominations from parents to join our School Council. The tenure of these positions will be three years. If there are more nominees than positions available, a voting process will be used to elect the members. This will be communicated if required. The commitment is 1-2 meetings per term. The time of the meetings is flexible to suit members, however, last year's meetings started at 7.30am and typically finished between 8.30am-9am. If you require more information, please contact me at the school.

Have a good fortnight!

Kind regards,

Reece Smith | Principal

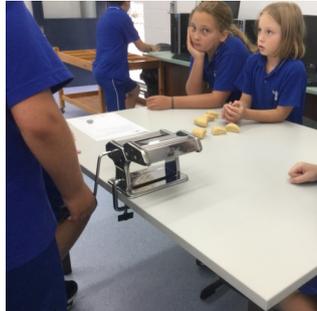

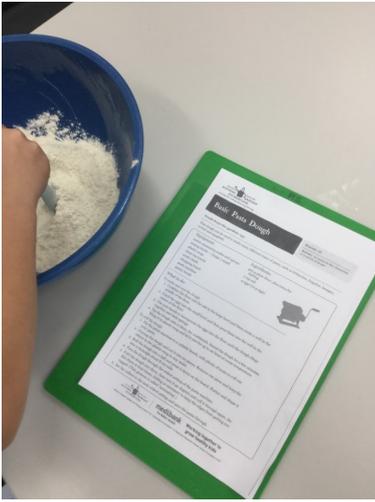

7 March 2017

Dear Parents,

The Student Forum would like to encourage donations to be dropped at the office for our Easter Raffle. It will be run during the Faction Carnival to raise money for camp.

Stephanie Alexander Kitchen Garden Program

The students worked over several weeks to produce this AMAZING meal to share together.

The Juniors used produce from the garden to cook a delicious pasta sauce.

Then the seniors made fresh fettuccini pasta to accompany it.

We compared fresh and dry pasta, reflecting on which we preferred and the difference in texture.

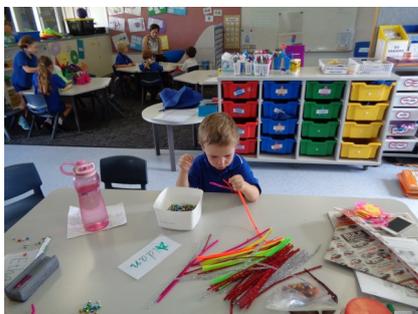

Junior Room

English

During writing lessons students have been learning about recounts. They have been doing a fabulous job sequencing their special events, stories and activities!

The Kindy and Pre-Primary students have been completing lots of fun name activities. The Kindy students are doing a great job of recognising their names and having a go at writing them. The Pre-Primary students are focusing on the correct letter formation.

Maths: Number

We have been learning all about numbers! Some students are learning about teen numbers, some are learning about ordinal numbers and some are learning where we find numbers and why we have them. We have had lots of fun. Students went on a bug hunt through the garden to count all the different types of bugs, they have read fabulous number stories, sang counting songs and been on treasure hunts!

Science: Physical Science

We have been having lots of fun in Science this term! Students are investigating how things move. Our first experiment included making rocket balloons and our second experiment was to see which objects rolled down a ramp.

History: All About Me and My Family

On Tuesday afternoon, students have been learning about families. They have created family trees, created a classroom family tree, discussed how different families celebrate special occasions and are now looking at how we share stories with each other. This week we have been looking at different ways Aboriginals share stories and traditions. We read the story, 'The Rainbow Serpent' by Dick Roughsey.

A COMMUNITY IS ONLY AS STRONG AS ITS PEOPLE.

Help yours by becoming a St John Ambulance WA Volunteer today.

Dear Staff and Parents,

St John Ambulance WA has always provided a critical and quality ambulance service to the community of Scaddan. To keep running, this vital service relies on the continued involvement of local community volunteers. Your help in any area can be of great assistance.

What's involved?

Driving ambulances, transporting patients, providing first aid and helping out with administration are just a few of the roles when you volunteer with St John Ambulance WA. As a volunteer you will be supported every step of the way and given all the training necessary to fulfil your role. Training is conducted to a level at which you feel comfortable, confident and ready to assist.

Why volunteer?

By donating your time you can make a real difference and give something back to your community. Not only do you get the satisfaction of helping others, but you also gain important skills and experience. No matter what your motivation, being a St John Ambulance WA Volunteer is a great way to get involved in your community and help change lives.

If you have any questions about becoming a volunteer please don't hesitate to call on 1800 069 393.

Yours sincerely,

Braden Fisher

Support your local community

Chrissy Coop from Cascade is coming to Scaddan Primary School on Wednesday afternoons to teach students how to play the guitar.

This is a wonderful opportunity for the students, which has been organised by parents with Scaddan Primary School providing the venue.

Chrissy would also like to offer guitar lessons to adults on Wednesday mornings. If you are interested or have any queries please contact Chrissy on her mobile: 0400 498 288.

Community Strategic Plan Meeting

Esperance and its surrounding communities are fabulous - but where are we heading? What should your council be driving for your community? The Community Strategic Plan is the document we use to guide our direction and that plan is now being reviewed. If you love or hate the direction we are heading, or have great ideas for improvement, then we need to hear from you.

Please come along for a chat and a snagger to the Grass Patch hall on WED 15th March.

We can only drive in the direction you want - if we know where you want us to go!

Shire of Esperance Banners in the Terrace Competition

Shire of Esperance Banners in the Terrace Competition

B CREATIVE

Banners in the Terrace is one of the state's largest community arts projects, featuring banners from Councils from all over Western Australia, which go on display along St Georges and Adelaide Terraces, during the Annual Local Government Convention in July/August each year.

2017 Local Design Competition

Individuals, schools, community groups and professional artists within the Shire of Esperance are invited to submit designs for the 2017 competition. Councillors will vote for the best local design to be submitted into the WALGA state-wide Banners in the Terrace competition.

A prize of \$100 gift voucher from a local business to the winner and \$50 gift vouchers for two runners-up, whose designs best reflect the theme 'Members First'.

The Shire arranges for the local winning design to be digitally printed and exhibited along St Georges and Adelaide Terraces in the City of Perth during the annual WA Local Government Convention. The local finalist will also be in the running to win the state-wide 2017 Banners in the Terrace Competition.

The winning design, as chosen by the Shire of Esperance, is transferred to a 3.4m x 1.5m banner and will fly in St Georges Terrace as a part of Local Government Week. The banner will be on display with up to 80 other WA local government banners.

Entries must be submitted to the Shire of Esperance by Friday 31 March 2017.

Banner Entry Information

Entries to the Banners in the Terrace competition are displayed for two weeks along St Georges and Adelaide Terrace allowing communities and regions throughout Western Australia to showcase local talents to thousands of people visiting the Perth CBD

The winning design, as chosen by the Shire of Esperance, is transferred to a 3.4m x 1.5m banner and will fly in St Georges Terrace as a part of Local Government Week. The banner will be on display with up to 80 other WA local government banners.

The theme for the banner is 'MEMBERS FIRST'.

Banner Criteria:

- The design should promote a bright, positive image of Esperance
- The design should use large and bold images as minor details will not be seen when the banners are on display
- The design can be drawn, painted or digitally created and printed
- The word ESPERANCE must appear in large, clear lettering
- Only one side of the banner should have artwork

The Banners will be judged on:

- Creative composition
- Use of colour and creativity
- Artistic merit
- Individuality and boldness
- Is it easy to identify where the banner comes from?
- Can you read the ESPERANCE name?
- Does the banner capture the essence of the theme.

Entries must be submitted on paper and must be 40cm high X 17.5cm wide.

Entries must be submitted to the Shire of Esperance by Friday 31 March 2017

Please include the following information with your submission: your name, contact phone number and email address.

Please note: The winning design will be made into a full scale banner 3.4m high x 1.5m wide, for the Banners in the Terrace display. The Shire of Esperance will cover the cost of banner construction and assist the winner with converting their design to a full scale version.

If you have any questions in relation to this competition please contact the Community Development Assistant on 9071 0078 or email shire@esperance.wa.gov.au

Festival of the Wind

The Festival of the Wind is just around the corner, with festival activities kicking off on March 16th! The Festival is looking for volunteers to help out for a minimum of 2 hours on either Saturday March 18th, or Sunday March 19th. Help is needed with setting up and packing down the event, and assisting with children's activities. This latter role involves assisting children and their parents with craft activities such as string art, sock puppets and gum nut mobiles. This role could be perfect for older students wishing to volunteer, as well as staff members; any volunteer over the age of 18 will require a Working With Children Check for this role.

Please contact us if you are keen to volunteer or would like any additional information. Please feel free to circulate this email throughout your networks.

Kind regards,
Kimberly Jenkins.
