## From the Principal:

Dear Parents and Families,

### Australian Army Museum of WA/RSL 'Call II Duty' Excursion

The past couple of weeks has been very busy in terms of excursions. We were very fortunate to attend the 'Call II Duty' event which provided the Scaddan students with a fantastic insight into the Australian Defence Force both now and in the past. Our day started with a visit to the Light Horse exhibition where we got to see the horses and riders in action. We were given a talk about the equipment that was used, and also the history of the regiment. We then visited displays by the Army and Navy and were lucky enough to use some of the equipment! Our next stop was with the Esperance Museum and RSL where we became code breakers and finally we were taken back in time to WW1 with the Living History display where we met soldiers, nurses and surgeons. After a sausage sizzle, fruit, Anzac biscuits and water we headed back to school. A huge thankyou to Sonja Andrews and her team for organising an amazing event.

### NAIDOC

Our second excursion took us to Wongutha CAPS for their NAIDOC celebrations 'Because of her, we can!' We started the day with Kangaroo stew, Kangaroo tail and damper, followed by a mixture of story telling and art activities. We were taken on a train trip where we had a tour of the school and then we banged out some beats on the djembe drums. Our final activity was learning to throw spears and boomerangs and also track stuffed animals in the wild! We finished the day with more food, being treated to sausages, salad, potatoes and much more. Thank you so much to Mr Meyer and all the staff and students at Wongutha CAPS.

### Junior Assembly/Jump Rope for Heart Day – Thursday 6<sup>th</sup> September

Miss Shoobert's Junior Room will be presenting our next assembly, Thursday 6<sup>th</sup> September commencing at 9am. After assembly, there will be a performance by the TOM team and then straight after we have Jump Rope for Heart. I know that Miss Shoobert has been busily practising with all of the Scaddan students. Good luck, everybody.

### **Swim Camp**

A couple more weeks and we will be on Swim Camp. Certainly for myself and some of the teaching staff, it will be our first time of attending the Mallee event. I am really looking forward to being involved in what I hear is always a great success. A note will come home soon, regarding the cost of this year's swim camp.

### **Tournament of Minds: TOM**

A huge congratulations to our first ever TOM team. You should all be very proud of your performance and the way that you conducted yourselves at competition. To score so many 'excellents' with your creative interpretation of 'The True Story of the 3 Little Pigs' was incredible. The Judges were really impressed with you and Scaddan Primary School were one of only five schools to receive an 'Encouragement Award'. A huge thankyou to Mrs Rooney for enabling the team to produce such quality in such a short space of time. Your expertise is much appreciated.

Enjoy the final few weeks of term,

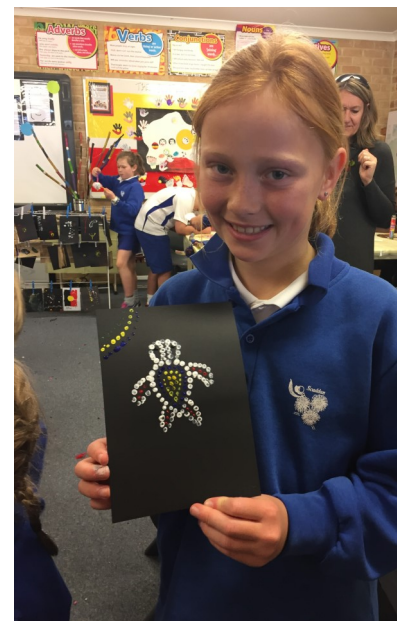

David Vooght-Simpson

## SMALL VOICES LOUDER

For children aged 7-12yrs

Imagine a space for thinking.  
For musing over life's big questions.  
What is love?  
What is important to remember in life?  
What is a big idea?

*Small Voices Louder* is a child-only space for playing and pondering. It's a magical world of tents and teepees where kids lie under clouds, talk to an alien, discover a dinosaur egg and step into a portal to the future. It's a space for dreaming, wondering and talking about the bigger things in life.

It is also a recording space, where kids' answers are turned into soundtracks for adult ears to stop and listen to. We believe that children, sometimes, are exactly what the world needs to hear. And adults just don't listen enough.
