From the Principal

Dear Parents and Families,

It is great to have the school community back together again; it definitely feels as if we are getting back to some normality.

I would like to say thank you to so many of you.

The staff have been fantastic over the last couple of months. The ever changing circumstances have certainly required the teachers to be flexible in their approaches to curriculum delivery and also how they interacted with yourselves and your children.

To our students and families, you have had to adjust to a very different learning experience. Students, at times you have not had the opportunity to play with friends and you have also not had your teachers with you. Well done for engaging with your learning and also dealing with a very unusual few months.

Finally, parents, you have had to take on the role of teacher and also run your homes and also work. Thank you for juggling so many jobs.

Thank you for the many lovely and supportive emails that came through to the school. We hope we managed to provide enough help and information to you all.

Kindergarten Screening

On Thursday 4th June, the school nurse will be visiting Scaddan PS to see our Kindy students.

Kindergarten, Semester 2

A reminder to parents that the Kindergarten program runs on a Tuesday, Wednesday and Thursday in Semester 2. If you have any queries or concerns regarding your child, please contact the school.

Enrolments

We now have enrolment packs (at the office and also on our website) available for those families with children starting Kindergarten in 2021. If you are aware of any families whose children will be joining, could you please pass on this information.

Cleaning

A huge thank you to Mas Stephenson and the staff who have been doing an amazing job of keeping the classrooms, play equipment and many other areas clean throughout the day.

Also, well done to our students who have been really good at following the school's handwashing procedures.

Drop offs/pick ups

Thank you to all parents for adhering to the rules regarding drop offs and pick-ups. This will be in place until we receive further advice from the Department of Education.

Swim Camp

Discussions are still taking place in regards to Swim Camp. The ability to get accommodation, places to run activities etc. is certainly proving more challenging. The Mallee Principals are meeting this Thursday to discuss the Swim Camp logistics; I will keep you informed as plans materialise.

Canberra Camp

Currently, we have dates available in early Term 4. Canberra Camp, is a priority for the Mallee Network. For some students it may be the one time they visit the nation's capital. We are obviously subject to the current travel restrictions; however, we hope that interstate travel might open and allow our Year 6's to enjoy an amazing experience.

Funding

A huge thank you to Mrs Tara Vermeersch (on behalf of the P&C) for applying for CBH funding. She was successful in getting \$3000.00 to create an orchard at the school. Thank you to CBH for their generosity.

Term 2

As we progress into Term 2, the calendar is obviously looking a little bare. Due to restrictions, we are still unable to have assemblies, incursions and excursions and sporting events. I will keep you informed as those restrictions ease.

Adopting a Koala

After learning that the recent fires could lead to the extinction of koalas in our students' life time, our school has decided to adopt a koala. With the money raised from the "Crazy Hair Day" held in Term 1 we were able to adopt LINR Paul.

and finally...

A warm welcome to Lukas (Year 1) who has joined Scaddan PS today. It is wonderful to have you and your family (Manda) join our community.
