

## Important Dates

### MONDAY 8<sup>TH</sup> JUNE

E.S.H.S talk - Year 6's  
@ 11:00am

### TUESDAY 9<sup>TH</sup> JUNE

Child Health Nurse  
visit

## From the Principal

Dear Parents and Families,

I hope that you all managed to enjoy the long weekend; it is always great to have that extra day! We are halfway through the term and though we are not as busy as we would normally be with camps, incursions and excursions, the students and staff are still doing amazing things in the classroom.

### Zumba and Drumming

On Friday 29<sup>th</sup> May, we were fortunate to have Mrs Chris Blair join us for the day. The students got to experience some Zumba and drumming sessions which they thoroughly enjoyed. Have a look at the Scaddan PS website (SPS Showcase) for photos of the day.

### Tree Removal

Over the weekend, one of our trees needed to be removed. Unfortunately, it had started to split through the trunk and had become a health and safety risk (especially being next to the drop off/pick up area and also the mains power box).

Thank you for your patience during the week in regards to drop offs and pick-ups. The area is no longer taped off.

### Swim Camp

As indicated in a recent letter to parents, Swim Camp 2020 has been cancelled. With the current circumstances still causing uncertainty, it was hard to confirm accommodation and activities. Planning is underway for 2021.

### Esperance Senior High School Staff Visit

On Monday 8<sup>th</sup> June, staff from ESHS will be visiting at 11.00am to talk to our Year 6 students about transition to Year 7 and life at the High School.

### Kindergarten Screening

The School Nurse will now be visiting on Tuesday 9<sup>th</sup> June at 9.00am.

### Shade Grant

Last week, we were excited to find out that we had been successful in our application for a \$20,000 grant to shade the back of the Kindy/PP area.

### **School Council**

The School Council is planning to meet in Week 9. The day and time is still to be confirmed.

### **Term 3 Newsletter**

The Newsletter will be looking a little bit different from Term 3 onwards. As we move to a digital version, we will move away from a PDF version and have something that is easy to read on a mobile device. The navigation structure allows parents to move easily between articles, save calendar dates onto their device, send alerts, find past newsletters with ease and if required translate to a preferred language.

Kind regards,

David Vooght-Simpson
