From the Principal:

We are in the final week of term. With the holidays in sight, our students continue to work extremely hard.

Interschool Carnival

What a fantastic day we all had at our Interschool Athletics Carnival. Not only did we come home with the Meritorious Shield, but every student tried their best and demonstrated excellent sportsmanship! Students were cheering each other from the bay as well as supporting each other through the team games.

Everyone put in a tremendous amount of effort to train for the day and it all paid off. Bevan and Dustin have recounted the day further on in the newsletter.

Further congratulations to some of our students who received individual medallions;

Junior Girl Champion

Maggie

Intermediate Girl Runner-Up

Lucy

Intermediate Boy Champion

Thomas

Interviews

This afternoon, our teachers will hold formal interviews with interested parents. This is part of our Reporting to Parents policy and gives you the opportunity to find out information about your child's progress and set learning goals. I will be supervising children in the playground outside the library. The gate in the Early Childhood Centre will also be shut, so parents may also utilise this area (please note there will be no teacher on duty in this area). While the interviews are being conducted the P&C will host a rolling afternoon tea in the staff room. Mrs Norwood recently sent out information relating to this event and it is an opportunity to meet and greet our new families.

Assembly and School ANZAC Service

Our assembly will commence at 9:00am on Thursday in the Senior Room. This assembly will be hosted by the Junior Room who are busily putting the final touches on their item. Immediately following this assembly will be our ANZAC Service at 9:30am near the flag pole. Mr Glen Churchland from the RSL will be in attendance. We will then move on to our normal 'tray peek' from 10:00am—10:30am with a shared morning tea with parents and students to be the final part of the morning. Please clearly label the ingredients on your shared plate of morning tea.

Community ANZAC Services

Our Year 6 students will represent our school at community ANZAC Services on 25 April. Luca will be attending the Grass Patch Dawn Service at the Memorial Park on the Coolgardie-Esperance Highway. Bevan and Dustin will be involved in the parade and service in Esperance. This is a fantastic opportunity for these students and I know they will represent our school with pride.

Senior Camp

The Senior Camp for students in Years 4-6 is in Week 8 of Term 2. Activities and costs are still being finalised, but I hope to have these known at the start of the term. As you would have noted on the Voluntary Contributions and Charges 2017, the most we can charge for this camp is \$550 per student. If you feel you may require a payment plan, please contact the school to arrange this.

Holidays

At the end of this week students begin their hard earned break. School will resume for students on Wednesday 26 April. Teachers and office staff will return on Monday 24 April for a designated School Development Day.

Have a good holiday and I hope the start of seeding goes well.

Kind regards,

Reece Smith | Principal

4 April 2017

Scaddan's Interschool's

On the 31st of March, Scaddan Primary School was able to participate in the Interschool Sports Carnival at Salmon Gums. All the Scaddan students were ready and roaring to race against the other Mallee schools. The juniors did exceptionally well at their throwing and catching in their team games and ran hard all day. The seniors did an extraordinary job at nailing their team events. The Scaddan students were very pleased with themselves when they heard that they had won the Meritorious Shield for the 12th time. Everybody had a great day!!!!

By the sports captains, Dustin and Bevan

Learning about numbers!

Going on a sound hunt listening very carefully for loud and quiet noises!

Over the last few weeks we have been learning about alliterations. Students have made some crazy alliterations about the students in our class!

We have been spending lots of time making and using number lines to help us count!
