From the Principal:

Dear Parents and Community,

Last Thursday, Scaddan hosted its first assembly for the year that was run by the Senior Room. They presented a fantastic item based on the book "One" by Kathryn Otoshi. It highlights the message of bullying and understanding that everyone counts! All students held themselves with confidence and spoke with clarity. Well done! Congratulations to the following award recipients;

Merit Certificates: Oskar, Maggie, Asha and Thomas

Aussie of the Month: Oliver

Playground Star: Bevan

The final preparations for the Faction Carnival are underway. Our oval is almost prepared, teachers are allocating students into teams and lunch time training is being run by our Faction Captains. Attached to this newsletter is the allocation of jobs on the day. Please look at this carefully. There will be an Easter Raffle and Guess the Jelly Bean on the day that will be run by the Student Forum. Please bring your spare change with money raised going to Yarloop Primary School and swim camp. If you have any questions, please contact the office. All family and extended family members are most welcome to attend.

The School Council held their first meeting for the year last week. The School Council for 2016 comprises of Natahna Stone (Chair), Elaine Egan, Lynne Norwood, Mark Wandel, Hannah Guest (Teacher Representative) and myself. The council was presented with and endorsed the draft budget and discussed the school's emergency plan.

Annually, Principals are required to submit their Emergency Management Plan to Regional Office. Scaddan's plan has been reviewed and submitted. Separate to the Emergency Management Plan, some school's have a stand alone Bushfire Plan that must be submitted to Regional Office in term 3. Our school is currently updating this plan, taking into consideration the procedures undertaken during last year's bushfire. Once this has been developed and endorsed by the School Council, this will become available to parents to become familiar with. If you want anymore information on this please contact me at the school.

The first P&C Meeting is tomorrow, Wednesday 2 March. A meet and greet will start at 3:15pm, followed by the AGM at 3:45pm and a normal meeting at 4:00pm. All are welcome to attend and join the P&C!

Lindsay Harby and William Martin will be at Scaddan Primary School on Thursday 31 March and Friday 1 April to assist Our Education Network Phase 3. All community members are invited to participate, but please keep in mind that students do not attend school on the Friday. An agenda for the 2 days is contained further on in the newsletter.

Lastly, just a friendly reminder that Scaddan Primary School is OPEN on Easter Tuesday 29 March. Students are required to attend school on this day.

Kind regards,

Reece Smith
Principal

GRIP Leadership Conference

"I learnt how leadership is like a tree and I really enjoyed the Loud Noises Games" -Bevan

"One of the things I learnt from GRIP was that even if you are not a leader you can still give your ideas.

The part that I enjoyed the most was when I won the Voice. I also enjoyed the dance party with Carl."-Annika

"I learnt how to be a better leader at school by helping people and organising things. My favourite part of the day was the dance party at the end. It was super fun"-Luca

"I learnt that to be a good leader you need to use the people around you. My favourite part of the day was the dance party because we got to dance 'crazily'. I really liked copying people's dance moves, it put a smile on my face." -Ashleigh

"I learnt about how you can grow as a leader. My favourite thing was the DANCE PARTY!!" - Asha

Sports Star

Tetrathlon

On the 27th and the 28th of February I competed in a Tetrathlon at Narrogin and won my age category. It involved competing in 4 sporting areas running, swimming, shooting and horse riding. My favourite part was riding a new horse in the event. I had a fantastic time and would do it again!

How to make a grass head

What you need :

stockings

sphagnum moss/ sawdust/ coco peat (or something similar)

grass seeds (what ever is lying around)

plastic cup

crafty stuff to decorate (googly eyes, pipe cleaners etc)

1. Cut the feet out of an old pair of stockings, just above the ankle.
2. Fill up the stocking, start with the seeds then some damp moss or other growing medium. Fill it up to about a tennis ball size and tie off. Leaving a tail of stocking at the base (this will dangle into water to keep your seeds moist)
3. Pinch the front of the head to make a nose and hold it in place with an elastic band.
4. Now put you face on.
5. Glue an outfit on your plastic cup.
6. Half fill your plastic cup with water and place the head on top, making sure the tail is dangling in the water. Place in a light area to get lots of sun. Spray your head every day and watch the hair grow.

Best to get onto making your grass head ASAP so you have some funky grassy hair ready for the fair (at least two or three weeks before). If your still unsure you could always use Google for some more ideas.

Good Luck.
