From the Principal:

Welcome back to a new term at Scaddan Primary School!

Internal Fit Out

As you may have noticed, our Junior Room, LOTE Room, Toilets and Library have all had a makeover. The new carpet looks fantastic and the new paint brightens the rooms. Pop in and have a look next time you are at the school. Photos are further on in the newsletter.

ANZAC Day

On 25 April 2016, some of our students participated in the ANZAC Service in Esperance. These students represented our school with pride and participated respectfully in the service. This was followed by our school service on 27 April. Thank you to Mr Stan Starcevich and Mr Neville Young for presenting the Commemorative Address and visiting our students in class to answer their questions. Our Year 5 and 6 students ran the ceremony perfectly and are to be congratulated for practising over the holidays.

NAPLAN

Our Year 3 and 5 students will be participating in NAPLAN next week (see Important Dates). NAPLAN can be stressful for some students. To assist with this, students will be completing practice tests, so they understand what they need to do for each test. If you have any questions about the testing, please contact me on the school mobile 0427 756055.

Photos

Next Wednesday 11 May, we are having our class and school photos. These will be done after the NAPLAN testing for the day. Even though this is a non Kindergarten day, parents are still welcome to bring their child in for the photos. Students must wear their formal school uniform (white shirt and blue bottoms), bring their completed envelopes and have their best smile ready! School shirts, with the new logo, are now available. If you would like to purchase one prior to the school photo day, please contact Abbie Jones to organise collection.

OEN

As previously written, the OEN committee created a new Shared Vision and Core Values in consultation with Bill and Lindsay during their visit. The Shared Vision just needs one more tweak before its release to the community, but the Core Values are ready to be shared!

Upon reflection, it was decided the values should be child centred/friendly. The new values of **Pride, Excellence, Respect and Nurturing** allow teachers to explicitly teach these to our students. Other values that come under these four Core Values will also be taught to the students. Further work will be undertaken by the staff, committee and community to ensure that these are promoted effectively in our school. The new Core Values will be listed in each newsletter in the box to the right.

Kind regards,

Reece Smith

Junior Room

Wow! It's Term 2 already and the students have returned to school enthusiastically. They have been busy learning about number lines, solving problems and using different strategies to help them with addition in Maths. We have also been looking at fairy tales in English, including their structure, characters, problems, solutions, story roads and the magic involved.

We are also doing all of our learning in our fabulous classroom which has been painted and had new carpet! It looks amazing.

Whole School Art

During whole school art on a Thursday afternoon, students have been learning a range of different skills to assist them with creating their own artwork. This week, the Seniors made their own colour wheels and the Juniors are creating a masterpiece using warm and cool colours!
