**Monday 19 September —
23 Friday 23 September**
Swim Camp

Friday 23 September
Last day Term 3

Monday 10 October
First day Term 4—Students

Friday 14 October
Esperance Show Day Holiday
School Closed

From the Principal:

I can't believe it's almost the end of term. This term has flown by!

CWA Donation

We have received a donation of \$6000 from the CWA Head Office to purchase shade for our school. This money, along with donations from other CWA Branches as well as money received from the Department will be used to erect a shade structure at our school. This is an incredibly kind gesture and we thank them for their support!

Science Dress Up

It was fantastic to see students dressed up for Science Day on the theme Drones, Droids and Robots. We had scientists, we had robots, we had drones that inspect crops and even a robot attached to a remote control car. It was great to see how creative the students had been and they were all very excited to show off what they had made.

Numero

Yesterday the Year 4/5/6 students competed in the Regional Numero Competition in Esperance. Our students represented our school with pride and demonstrated great mathematical skills on the day. Although the two teams did not place in the Top 6, it was a fantastic opportunity and a fun day was had by the students. Thank you to all that helped transport students to and from Esperance.

Cleaner in Charge

I am pleased to announce that Mrs Naomi Hartley was the successful applicant for the Cleaner in Charge position at Scaddan Primary School. Mrs Hartley will commence next week and we welcome her to our team!

Values

What does pride mean to you? What does pride mean to your family? To help further embed our values into our school culture these questions are a perfect dinner time discussion to have at home. Having this discussion will help our students understand that the values we have at school, are also important values to have outside of school.

Swim Camp

More correspondence relating to Swim Camp will be sent home during this week. We appreciate all the help, support and donations that have been offered to make this camp a fantastic week for everyone.

Weather

Due to recent wet weather, we have excess water on the ground around the school. This will attract mosquitos to the school. We do have Aeroguard on site, but if your child/ren requires a different mosquito prevention please let the school know.

Pride ~ Excellence ~ Respect ~ Nurturing

Assembly

Next Thursday 15 September will be our final assembly for the term. It will start at 9:00am and will be followed by a tray peek and shared morning tea. Please label ingredients on your plate.

Cricket Clinic

Also next Thursday, Brodie Green will be at Scaddan to run a cricket clinic with our students during their Physical Education lesson. Students from Salmon Gums will also be here for this. A registration flyer is further on in the newsletter with information about how you can sign your child/ren up for cricket over summer.

Kind regards,

Reece Smith | Principal

the Junior Room

GEOGRAPHY

Following on from making treasure maps which included the landmarks of our local area, students are now researching famous natural and cultural landmarks around the world. They are creating a large world map, and investigating the continents that make up our globe.

SCIENCE

The Juniors have been inside and outside the classroom in Science this term, locating and analysing the stages of plant growth. Students went into the garden to discuss what stage many of the plants were at, and sketched examples of seedlings, fruiting and flowering plants. This was then written up and is displayed in the classroom. Kindy students have been labeling the parts of plants, and locating them in the Stephanie Alexander Garden.

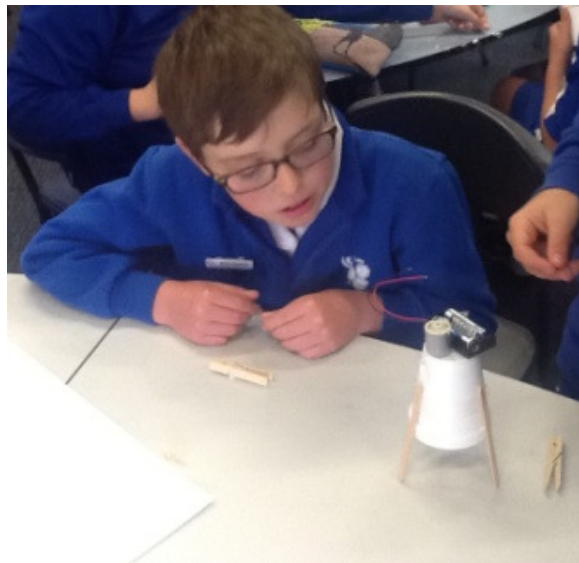

Bunnings Visit

Thankyou to Bunnings for visiting our school and donating some beautiful fruit trees and a Buddy Bench. The students all loved the opportunity to get crafty, creating special gifts for Father's Day!!!

Science Week

Student had a great time visiting Esperance Primary School to participate in a day of 'Science'. It was a fantastic day with the Year 5 and 6's finishing off with a Wiggle Bot Race!!! Students also had special science dress up day and all looked spectacular!

FREE COME & TRY DAY

MILO in2CRICKET, MILO T20 Blast and Junior Registration

FREE COME AND TRY EVENT for all junior cricketers in Esperance on the 15th of September. Come down to Ports Oval and join in on the activities of the Perth Scorchers Regional Roadshow. Children will be directed on how to register for the specific program that they can take part in on the night. A sausage sizzle kindly donated by CSBP will occur at the event.

South Coast NRM, Birdlife Australia and Esperance Bird Observers Group
are proud to present:

FEATHERED FRIENDS FILM FIESTA 2016

Doors open at 5:30 for a 6pm start
Esperance Indoor Sports Stadium

Tuesday 30 August 2016

Travelling Birds is a 'natural tale' that showcases the extensive journeys routinely made by birds during their migrations. Filmed from paragliders, hot air balloons, remote control robots, and other vehicles, this documentary was filmed over all 7 continents over a 4 year period. Not to be missed!

Tuesday 18 October 2016

Join us to celebrate National Bird Week at this screening of *The Big Year*, a comedy starring Jack Black, Steve Martin and Owen Wilson that follows three amateur birders who each set out to achieve a Big Year, the contest to count more species of birds than anyone else. Fun for the whole family!

FREE ENTRY!

BYO snacks, chairs, blankets and friends!

For further information, please phone 9076 2200,
check out www.southcoastnrm.com.au, or find us on Facebook.

This project is supported by South Coast NRM through funding from the Australian Government and the Government of Western Australia.
