From the Principal:

We are at the end of Term 2 already! What an excellent term it has been. This short newsletter has been sent home this week as our school is being upgraded to SOE4. SOE4 is the Department of Education's managed ICT operating environment. Part of this upgrade will require our school's network and internet access to be shut off for a majority of Week 10. This means we can not send a newsletter home next week. No disruptions to phone lines will occur.

National Consistent Collection of Data on School Students with Disability (NCCD)

All schools in Western Australia are part of a national project about students with disability and/or learning difficulties.

We have been asked to provide data about the number and learning needs of children at our school. The name of the school and the name of the students will not be reported. Information about the different types of needs and the programs and resources the school uses to overcome barriers and support children with special educational needs will be collected.

We believe it is important to contribute to this because it will help Governments and the Department develop better policies that acknowledge the level of resources needed in schools to meet the needs of all students in Western Australia.

If you have any questions, please do not hesitate to contact the school or the Western Australian Department of Education NCCD Helpline on 0477 741 598.

Canberra Camp

We hope our students enjoy the experience of Canberra Camp. Good luck to Miss Thomas and our Year 5/6 students.

Have a safe and happy holiday break! Students return to school on Tuesday 19 July.

Kind regards,
