Staffing Changes

Mrs Cleary has finished her time at Scaddan Primary School and is now on Maternity Leave. We wish her and Shaun the best of luck with the arrival of Baby Cleary. I would like to thank Mrs Cleary for her contributions to the school over the past 18 months.

I am pleased to announce that Mrs Dale Rooney will take on the role of Senior Room Teacher for Semester 2. Mrs Rooney has taught at Scaddan Primary School before and understands the unique environment of a multi-age classroom and comes with strong skills in Literacy, Science and ICT. Since departing Scaddan, she has had roles at both Esperance Primary School and Esperance Senior High School. Welcome to the team, Mrs Rooney!

Reports

Today your child's Semester One Report will be sent home. This report gives you the opportunity to see your child's achievements in relation to standards set out in the Western Australian Curriculum. Please take the time to read the report with your child and celebrate their achievements.

This semester, we are trialling the Department of Education's new, non-compulsory, Kindergarten Report. It relates directly to the Early Years Learning Framework, which along with the Kindergarten Guidelines, assists teachers to provide fantastic learning experiences to our early years students. As this is a new process, we would appreciate any feedback from our Kindergarten parents!

If you require any further information in relation to your child's progress teachers are available for interview upon request.

Year 4-6 Camp

What an amazing week our Year 4-6 students had at Ern Halliday Recreation Camp with the students from Cascade and Salmon Gums. While the start of camp did not exactly go to plan, the rest of the week was fun-filled with our students challenging themselves in activities and experiences they have never had before. Some of the activities included; flying fox, rock climbing, big swing, caving, bike riding and even a visit to South Padbury Primary School. I would like to thank our students for demonstrating our core values while at camp and showing great resilience. A week away from home and family can be frightening, but our students took it all in their stride. Read what the students had to say about their experience and check out the photo page!

Nature Playground Committee Meeting

Our first Nature Play Committee Meeting is on Thursday 20 July at 3:10pm. The purpose of this meeting is to formally review the proposed plan, establish timelines for the project, identify possible suppliers of service and elect a representative that will lead this initiative with the school. I look forward to seeing everyone there!

Nationally Consistent Collection of Data on School Students with Disability- NCCD

All schools in Western Australia are part of a national project about students with disability and/or learning difficulties.

We have been asked to provide data about the number and learning needs of children at our school. The name of the school and the name of the students will not be reported. Information about the different types of needs and the programs and resources the school uses to overcome barriers and support children with special educational needs will be collected.

We believe it is important to contribute to this because it will help Governments and the Department develop better policies that acknowledge the level of resources needed in schools to meet the needs of all students in Western Australia.

If you have any questions, please do not hesitate to contact the school or the Western Australian Department of Education NCCD Helpline on 0477 741 598.

Mulch

We have a large pile of mulch that we are selling for \$40 (inc GST) per 6 x 4 trailer load. Purchasers must load and remove the mulch. This is a first in, first served offer and mulch can only be purchased and removed during office hours throughout the school term.

School Development Day- Monday 17 July

Monday 17 July is a designated School Development Day. Students do not attend school this day. The first day of Term 3 for students is Tuesday 18 July.

Have a restful and enjoyable holiday!

Kind regards,

Reece Smith | Principal

Our favourite memories from Camp

My favourite memory on camp was caving!! I liked caving because the caves were man made.

The caves were not hard because there were two ways to go so I went in the easy one so I didn't hurt my wrist.

Dustin

My favourite memory on camp was rock climbing. I went all the way to the top in about 1 minute and 30 seconds 4 times. The teachers were our safety nets if we slipped.

Stella

The best thing about camp was the bike pump track. I liked the bike pump because you can go really fast and you don't really have to peddle that much.

Thomas

My most favourite memory was Orienteering. I was in a group of four. My team was Austin, Thomas. M, Liam and I.

Mitch

My favourite memory from camp was the big swing. It was so awesome! You had the adrenalin happening and the feeling of dropping and then being pulled up.

Bevan

My favourite memory from camp was the Flying Fox. I enjoyed it because there were two of them but one of them was faster than the other.

Lucy

The best thing on camp was definitely the big swing because I was the first person to go on it in my group and I went all the way to the top.

Ollie

The best thing about camp was Orienteering. I was in a group of four. My group was Austin (Cascade), Mitch (Scaddan), Thomas (Salmon Gums) and I.
