3rd February 2016

Volume 1, Issue 1

From the Principal:

Dear Parents and Guardians,

Welcome back to 2016 at Scaddan Primary School!

I would like to thank you all for the warm welcome my family and I have received. My wife, Emily, and daughter, Rori are very excited to be part of the Scaddan community. After having spent part of last year as Principal at Cascade, I am relishing the opportunity to stay in the area and work in this fantastic school. I would also like to thank the staff of Scaddan Primary School who have assisted with my transition into the role of Principal and I look forward to working with them in order to improve educational outcomes for our students. I have an 'open door' policy and welcome all parents, staff and community members to come in for a chat and discuss our fantastic school.

After the events at the end of last year it is great to see the already noticeable changes in the school environment. We have a brand new school sign, our grass is once again looking green and fantastic, some of the trees are regenerating themselves and those trees that were unsafe or broken apart have been removed. We will continue to beautify the school grounds throughout the year and will keep you up to date with information

School Banking 2016 is set for the outback.

Since 1931, the School Banking program has been introducing interactive and exciting new ways to teach students lifelong money skills. This year's program invites your child to join the Dollarsmites on a wild outback adventure through the Canyon of Savings.

Your school has received parent packs that include all the gear you need to get started. If you haven't received a parent pack yet, please ask your School Banking Co-ordinator.

Equipping smart savers with eight new reward items in 2016

The School Banking program continues to encourage good savings behaviour by rewarding students with thrilling reward items. For every 10 deposits made through the program, students can redeem a reward from our Outback Savers range. The first two reward items released in Term 1 include Flying Snake Tails and Wildlife Writer Sets.

You could meet Bindi and Robert Irwin at Australia Zoo

This year, we're giving students the chance to win a family trip for up to two adults and three kids to explore Australia Zoo and meet Bindi and Robert Irwin, plus:

- A full day Platinum Zoo Adventure Tour, where you'll get to pet wombats, cuddle koalas and feed wallabies, all while your personal photographer captures every incredible moment.
- Domestic return economy airfares to Sunshine Coast, Qld, 4 nights' accommodation, 5 days' car hire and \$1,000 spending money.

Students who make 15 or more School Banking deposits by the end of Term 3, 2016 will automatically receive an entry into the competition.
