THURSDAY 10 AUGUST
Assembly @ 9am

THURSDAY 10 AUGUST
P&C Meeting @
10am

FRIDAY 18 AUGUST
Music Festival

**THURSDAY 7
SEPTEMBER**
Assembly @ 9am

From the Principal:

Time does fly! With the holidays over, we are now well and truly into the second half of the year. Our students have slipped straight back into routine and there is some great teaching and learning happening.

Welcome to Scaddan Primary School

I would like to formally welcome Mrs Rooney back to the Scaddan Primary School community and to the role of Senior Room teacher. Mrs Rooney comes with a broad range of knowledge and experience that is already benefiting our students. We look forward to having Mrs Rooney on board for the rest of the year.

We also welcome Klaire Wohling, who has recently enrolled, and her family to our amazing school!

School Development Day

While the students were enjoying their last day of holidays, our staff members were working hard during our scheduled School Development Day. For the first part of the day we joined all the primary schools in the area (town and outlying), to learn about how to differentiate effectively in Mathematics.

After this session we then joined with Munglinup and Salmon Gums, to focus on learning about Brightpath. Brightpath is a heavily researched writing assessment tool that was developed by University of Western Australia and has been endorsed by the School Curriculum and Standards Authority. The process of Brightpath involves teachers comparing their students' work to numerous exemplars to arrive at a scaled score. This process promotes reliable teacher judgements that are comparable across classrooms, schools and time.

Census and NCCD Data Collection

Friday 4 August is the Semester 2 census. This is when we submit our student enrolments to the Department of Education. The purpose of this census is different to that of Semester 1, being that it is for statistical purposes to account for student whereabouts.

We will also be submitting student data about those students we make educational adjustments for as part of the Nationally Consistent Collection of Data on School Students with Disability. The aim of this process is to enable governments to target support and resources in schools to help all students reach their potential. Any data submitted to the Department of Education is de-identified prior to being passed on to Federal Government. If you would like more information about this process please contact myself to discuss.

Pride ~ Excellence ~ Respect ~ Nurturing

NAPLAN Online

From 2019 NAPLAN will go online. There are numerous advantages to this;

- Better assessment and more precise results: NAPLAN Online uses a tailored test design, where the test automatically adapts to the student's performance and asks questions that match their achievement level.
- Faster turnaround of results: Schools should receive data by the end of Term 2 rather than the end of Term 3. This will allow schools to respond to learning needs quickly.
- More engaging: Research conducted has shown that the students have engaged well with the electronic tests.

To ensure our school is ready to make this leap, we have elected to trial NAPLAN Online in 2018. Prior to the end of the term, we will participate in a School Readiness Test. More information about this will be released closer to the testing date.

Nature Playground Meeting

Thank you to everyone who came to the Nature Playground Meeting last Thursday. This is a community partnership project and in order to meet our final goal the school, parents and the wider community will be working together. The aim is to have this project completed by the end of term. To find out how you can help with the next phase of this project, please come along to our next assembly in Week 4. Thank you to Jane Wandel, who has offered to take on the role of parent representative!

Therapy Focus Competition

As mentioned in the last newsletter, Bevan Norwood's art work made it into the Top 100 in the Therapy Focus Competition. This was an amazing achievement as **4341** entries were received from **58** schools! Unfortunately, Bevan was not selected in the Top 20, but Scaddan is very proud of his achievement!

Out of Office

I will be out of the office on Tuesday 25 July and Wednesday 26 July. On Tuesday, Ms Harry and I will be attending training on the Letters and Sounds program. On Wednesday, I will be attending the Esperance Regional Schools Network Meeting with Principals from the town and outlying schools.

Mulch

We have a large pile of mulch that we are selling for \$40 (inc GST) per 6 x 4 trailer load. Purchasers must load and remove the mulch. This is a first in, first served offer and mulch can only be purchased and removed during office hours throughout the school term.

Kind regards,

Reece Smith | Principal

25 July 2017

VALUES STAR

Klaire

"For demonstrating gorgeous manners and mutual respect to everyone."

Voluntary Contributions and Charges

We are now collecting Voluntary Contributions and Charges. Endorsed by the School Council and provided to all parents at the end of last year, these payments greatly assist in the provision and planning of a range of activities for your children. Please make cheques payable to Scaddan Primary School or directly deposit into the school account (details provided on the 2017 Voluntary Contributions and Charges sheet). If you need any more information do not hesitate to contact Mrs Berry or Mrs Letto in the office.

Woolworths Earn & Learn 2017

Dear Parents,

This year we will be participating in the Woolworths Earn & Learn program. Through this program we will be able to get new educational resources for our school/early learning centre – and all we need you to do is shop for your groceries at Woolworths.

From Wednesday 26th July to Tuesday 19th September, we are collecting Woolworths Earn & Learn Stickers. You will get one Woolworths Earn & Learn Sticker for every \$10 spent (excluding liquor, tobacco and gift cards). Place the Woolworths Earn & Learn Sticker onto a Woolworths Earn & Learn Sticker Sheet and when it's complete, the Sticker Sheet can be dropped into the Collection Box here at the school or at your local Woolworths.

At the end of the promotion, we'll be able to get some great new equipment. The range is extensive and offers lots of items ideal for our students – including resources for Maths, English, Science and some fantastic fun supplies for Arts & Craft, Sport and for our library. If you'd like to know more visit woolworths.com.au/earnandlearn

Thank you from the Grass Patch CDA

On behalf of the Grass Patch CDA, we would like to say Thank you to Luca Marshman from Scaddan Primary School for her poem reading at our ANZAC Dawn Service. The Luca spoke beautifully and all who attended appreciated the School's participation in the service.

Regards,
John Sanderson
President
