## From the Principal:

Term 2 is now in full swing. We have lots of exciting things happening this term!

### New Interactive Projector

Not only has the Junior Room received a makeover, but they have also had their Interactive Whiteboard upgraded. With new technology available, we have purchased an Interactive Projector. This awesome machine turns any standard whiteboard into an interactive one. Feel free to have a look during tray peek after our next assembly.

### Teacher Development School (TDS) Role

Condingup PS is a TDS for Level 3 schools. Part of this is to provide support for teachers working in these schools. Mrs Guest has been asked to take on, and accepted, the role of Junior Mallee TDS Coordinator. Congratulations, Mrs Guest!

### Genius Hour

Throughout this term, our students will be provided with opportunities to develop their problem solving and thinking skills with Salmon Gums PS. This will begin with our whole school visiting Salmon Gums this Wednesday 18 May.

The Junior Room will have the opportunity to participate in fun and interactive problem solving activities with students from Salmon Gums. While they will develop their problem solving skills, this structure will provide our students the opportunity to socialise with a wider variety of students.

The senior students will be participating in a project called *Genius Hour* with the senior students from Salmon Gums PS. *Genius Hour* allows students to explore and research topics that they are interested in and passionate about. The students develop their critical and creative thinking as they learn to generate and evaluate knowledge, clarify concepts and ideas, seek possibilities, consider alternatives and solve problems. Students will be introduced to the concept of *Genius Hour* during our visit. The following weeks will involve the students completing their projects, at their own schools on the theme of 'How to...'. At the end of the term, the students from Salmon Gums PS will come to our school to participate in a sharing day, where we can celebrate the achievements of our students. This is something you are all invited to!

### OEN- New Shared Vision

Much work over the last 6 weeks has gone into creating a new Shared Vision for the school. A Shared Vision drives the improvement process of the school and allows us to ensure that the opportunities provided to our students work towards achieving our Shared Vision. Without further ado, here is our new Shared Vision;

*Scaddan Primary School is a caring and positive environment.*

*High quality explicit teaching enables our children to become 21st century problem solvers who actively contribute to the local and global community.*

*We nurture pride, excellence and respect to grow independent and confident children who value themselves and others.*

*We are a unique and proud community built on positive relationships.*

Thank you to the staff and parents that were part of this process during our two OEN days at the end of last term. This is a fantastic final product!

**Grounds Upgrade**

Work has commenced to replace what was damaged during the fires. New garden edging is going in, a new mulch pit installed, shade cloth for the Stephanie Alexander Kitchen Garden beds is being installed and measurements are being taken for the new fencing. We will provide you with photo updates as work is completed. See a preview below.

**Report Distribution**

This semester, we will be trialling a new way to distribute reports. Reports will be distributed on Thursday 23 June during Three-Way Conferences. This requires students attendance and participation during the conference. If you require a parent teacher meeting without your child present, please arrange tis with their class teacher for a different day. This will occur on the same day as an afternoon assembly and Book Fair. Further information will be sent out closer to the day.

**Noodle Tuesday**

Starting this coming week, Noodle Tuesday is back! If students wish to bring a cup of noodles for lunch they will have access to hot water. This will be available for the rest of Term 2 and Term 3. If your child is bringing in noodles please supply them with appropriate utensils.

**Updated Parent Planner**

A new Parent Planner with updated information is being sent home today.

**Assembly**

Assembly is next Thursday 26 May commencing at 9am and all are invited to attend. Parents could you please bring a plate for the shared morning tea after the assembly. If you are able to bring a plate please could the ingredients be listed.

Kind regards,

Reece Smith

## May 2016 Arts in Esperance

Subscribe to our monthly newsletter to find out what arts events are coming up in Esperance WA.

### Events coming up in May 2016

It has been a successful and active start to the year, and we are now getting into the groove for all the mid-year activities happening in our community. Lots to put on your calendar. Esperance Community Arts is also very pleased to welcome Amanda Lee on to our team this month as our new Administrative Officer. Amanda will be on board from 10am - 2pm, Tuesdays to Fridays at 67 Dempster Street. So, coming up in May ...

The 2016 Super Troupers production, 'Swinging Sixties', takes to the stage at the Bijou Theatre this weekend for 3 shows only. Tickets are available online through the Esperance Civic Centre or from the Library or the Visitors Centre.

Esperance Photographers Club are holding the Biennial Photography Exhibition Night at Cliffs Gallery, with the opening event happening on 6th May and starting at 7pm. Always a good turnout and a great night, so come along and enjoy all the local talent, exhibited. There is also three great workshops happening as part of the biennial, *Photography 101* on Saturday 7th May followed by *Off Camera Flash* and *Exploring your Mobile Phone Camera* on Sunday 8th May. These will be run by Professional Photographer Kingsley Klau, the AIPP judge for the competition.

Entrenchment Art Competition entries are due on Friday 13th May. The winning entry will be used in the promotional material for the Entrenchment musical theatre production planned for November. Further details are in this newsletter when scrolling down.

The Esperance Music Festival schedules are available now at the Esperance Community Arts and there are some exciting workshops coming up at the Cannery Community Kitchen Garden this month, including a Spray Paint Workshop and the Paint a Paling project. Come and have a look at the Paint-a-Paling display at Esperance Community Arts Space to find out how you can get involved!

Escare is running A Winter Warmers Workshop on cooking, crocheting & sewing, just in time for the cool weather. They are also hosting *Brick Club* for young Lego architects on Monday afternoons from 3.30-5pm in partnership with GIFSA. These sessions will commence on the 2nd May and run until 20th June at Esperance Community Arts Space (67 Dempster St). Contact Samara Clark @GIFSA or Linda Tobin @ Escare for more information.

There is also a lot more happening as always - so browse through this newsletter for more details and information about opportunities to get involved in arts activities in the Esperance Community. Scroll to the end to find a list of regular group gatherings in Esperance - and please let us know if you would like to add information about your group to our list!
