Last day of school

MONDAY 9 OCTOBER

First day of school—
students

From the Principal:

The term is almost at an end! As you can see from the upcoming events, it is certainly going to be a busy end to the term.

Swim Camp Costing

Due to my absence yesterday, we have been delayed in finalising the costs for Swim Camp 2017. Mrs Berry and I want to ensure that these are accurate before providing the information to parents. These will be out in the coming days along with the camp booklets and consent forms. I apologise for any inconvenience.

Número

Well done to the students from Years 4, 5 and 6 who represented our school with pride at the recent Interschool Número Competition. They demonstrated excellence when participating in the Número challenges, games and scramble. Out of the 17 teams from across the district that competed one of the teams placed 4th overall. Each of the competitors will be presented with a 'showbag' from R.I.C. Publications at Thursday's assembly. Well done, Scaddan!

Assembly and Three-Way Conferences

This Thursday 7 September is going to be a busy one! Starting at 2pm we will have our last assembly for the term. Parents are asked to bring a plate for a shared afternoon tea (with ingredients labelled), held in the library, that will roll through the Three-Way Conferences that will commence at 2:30pm. Parents are reminded that the purpose of this conference is for the student, in an age appropriate way, to discuss their achievements over the year and set learning goals. If a formal interview is required, please book a time with your child's teacher.

A slip has been sent home in your child's diary today confirming your time. If you are yet to make an appointment, please do so ASAP to ensure that both teachers and students have time to prepare.

Nature Playground

Our nature playground plans are coming to life! We are looking at getting things underway very soon. Jane and Scott Wandel will have the plan marked out for interested parents to look at and discuss further on Thursday.

Bandwidth Upgrade

I am pleased to announce that Telstra and the Education Department have completed work on our internet bandwidth and switched it on last Wednesday. This means that our internet speed has progressed from 1mbps download/upload speed to 10mbps. The speed at which webpages and videos are loading in class is incredible!

Police Remembrance Day Ceremony

Our students will be performing the 'Australian National Anthem' and 'I Believe I Can Fly' at the Police Remembrance Day Ceremony next Thursday 14 September. A note will be sent home tomorrow to provide more information and transport arrangements.

School Uniform

The P&C have been investigating new style of shirt that could form part of the school uniform. The pictures below show the one style of shirt, on offer at a local supplier, in a boys and girls range. The P&C would appreciate feedback from all parents. The shirts will be on display at the assembly on Thursday for interested parents to look at. If a decision is made to change the style of shirt, this will need to be endorsed by the School Council.

Next Newsletter

Due to the upcoming Swim Camp in Week 10, a short newsletter will be sent home on Friday of Week 9.

Kind regards,

Reece Smith | Principal

Woolworths Earn & Learn 2017

This year we will be participating in the Woolworths Earn & Learn program. Through this program we will be able to get new educational resources for our school/early learning centre – and all we need you to do is shop for your groceries at Woolworths.

From Wednesday 26th July to Tuesday 19th September, we are collecting Woolworths Earn & Learn Stickers. You will get one Woolworths Earn & Learn Sticker for every \$10 spent (excluding liquor, tobacco and gift cards). Place the Woolworths Earn & Learn Stickers onto a Woolworths Earn & Learn Sticker Sheet and when it's complete, the Sticker Sheet can be dropped into the Collection Box here at the school or at your local Woolworths.

At the end of the promotion, we'll be able to get some great new equipment. The range is extensive and offers lots of items ideal for our students – including resources for Maths, English, Science and some fantastic fun supplies for Arts & Craft, Sport and for our library. Laraine Doney our gardener of 40 years is retiring and we are hoping to reach as many of her past students or colleagues as possible to share their memories.

Mrs Laraine Doney is officially retiring during next term. She is currently away on Long Service Leave and will retire when she returns. Mrs Doney has been a huge part of our school over the past 40 years. Her dedication to our school grounds and her support for our school is hugely appreciated. To ensure we are able to celebrate her time and commitment at our school I would like to put together a memento book that will provide the opportunity for a little walk down memory lane.

In order to do this I am looking for any photos parents, community members or old students may have with Laraine during her time at the school. I am also seeking any memories or stories people are willing to share in the book about their experience with Laraine at the school.

Please forward any photos, stories, information or special message on to me via email (Krystal.wiggins@education.wa.edu.au), mail (101 Rogers Street, Salmon Gums, 6445) or by dropping them off at the school by **Friday 13th October**.

Please include the following details with your memories:

Rags to Riches

"In Australia alone, more than 500,000 tonnes of textiles and leather end up in landfill each year."

Op shops are being inundated with low-cost, low-quality garments that can't be resold.

"Of the items donated to charities, its estimated only about 15% are resold in Australia. The rest are sold as industrial rags, sent to landfill, or sent overseas to developing nations."

"Clothing made from polyester, which is essentially a plastic, takes up to 200 years to break down in landfill."

Esperance Community Arts is supported by the Departments of Culture and the Arts and Regional Development, Royalties for Regions and Country Arts WA.

Esperance Community Arts receives core funding from Country Arts WA, which receives funding from the State Government through the Department of Culture and the Arts and Lotterywest.

A good reason to participate:

Landfill sites pose a threat to local ground water supplies. Every time it rains, water drains through all the rubbish and picks up chemicals and hazardous materials from whatever is in the landfill site. This includes chemicals used in clothing and textiles such as dyes and bleaches. The water collects at the bottom of the landfill, often in large amounts and can be up to 200 times more toxic than raw sewage.
