TUESDAY 1 MAY

First day of Term 2 —
Students

From the Principal:

Dear Parents and Families,

It is so hard to believe we are almost at the end of term one. It has been a very busy yet rewarding term for everyone at Scaddan PS and the final nine days will continue in the same vein – busy and rewarding.

Interschool Athletics – NOW Thursday 5 March

I am really looking forward to our school hosting the Mallee Interschool Athletics Carnival on Thursday. I am in awe of our community's commitment to making this, such a special day for Scaddan – thank you to everyone who is doing a massive amount of preparation and work to bring this all together.

The students are practising every day, ensuring their throwing, jumping, running and catching skills are as competitive as they possibly can be.

Set up will be from 7:00am and the action commences at 8:45am with long jumps and throws. The day's program will also come home with this newsletter.

Interim Parent Interviews - Tuesday 10 April

As mentioned in our last newsletter, we monitor and assess individual student achievement in order to provide parents and caregivers with feedback about their child's progress. As such, we have allocated next Tuesday 10 April, for teachers to meet with parents discuss progress and improvement areas for each student. Attached to this newsletter is an overview of how the day will operate and timetable for parents to select a suitable time to meet with teachers.

Junior Room Assembly

It's hard to go past a junior primary school assembly for 'cute factor,' but the junior students' retell of the book Mrs Wishy Washy was not just cute but entertaining and our story teller Bridie, read extremely well. Many thanks to Miss Shoobert for preparing the students for their first assembly of the year.

Congratulations to the following award winners - *Braxton, Bridie, Stella and Neela*. Aussie of the Month—*Mitch*.

Student Forum attends GRIP Leadership Conference

Recently, the Student Forum went into Esperance to take part in the annual GRIP Student Leadership Conference. The conference provided our student leaders with the opportunity to develop and hone leadership skills and 'network' with student leaders from around the Esperance region. Skills learnt included 'transforming' their leadership, to consider Attitude; Words; Actions; and Care towards others. They also learned how to contribute towards positive 'CHANGE' – by Clarifying; asking How; Naming people who can help; Going forward; and Evaluating. I am really hoping this day will enable the student forum to really develop into their role throughout the year.

NAPLAN Online

Tomorrow our year 3 and 5 students will undertake a practice online assessment similar to NAPLAN. The idea of the practice assessment is to gauge school and student readiness for the formal assessments in May. Mrs Rooney has been ensuring all year 3 and 5 students have had plenty of keyboard practice during this term. Year 3 students will complete the writing assessment (Narrative/Persuasive text) with pen and paper.

ANZAC Ceremony

The school will host a small ANZAC Service on Thursday 12 April at 11:00am. Mr Kevin O'Dwyer from the Esperance RSL will be in attendance as our guest speaker. Parents and families are welcome to attend. Some Student Forum members will also be attending the Esperance and Grass Patch ANZAC service during the school holidays.

Term Two - School Development Day (Monday 30 April)

The first day of term 2 is a school development day, so students do not attend. Our staff will be engaging in professional learning with Jill Fitzpatrick SDERA (School Drug Education, Road Awareness) Officer and other Mallee school teachers conducting moderation in student writing samples.

Kind regards,

Ross Tamlin

Dear Parent,

The best gift any parent can give a child is the love of good books and the joy and benefits of good reading. Children who read at home, or are read to, have a head start on reading success in school.

Our school is participating in Scholastic Book Clubs this year. Twice a term during the school year the school will send home a Club flyer with a different selection of books offered. You'll find award-winning books, as well as old and new favourites. The books span a wide range of children's reading levels and interests. There are many inexpensive titles to choose from (some books cost as little as \$1 and \$2) to build your Home Library.

Just look over the flyer with your child, select the books you want, and go to: <http://parentpayments.scholastic.com.au/> or download the Scholastic Book Club App found in the iTunes Store or GooglePlay. For ease of use and to ensure families are placing correct orders and making secure Credit Card payments, we are offering Linked Online Ordering and Payment Payments (LOOP). We are also accepting payments by Cash or Cheque (made payable to Scholastic Australia) for Book Club Orders at the front office.

The books will arrive around two weeks after the Book Club LOOP is submitted. Upon closing orders, they are submitted to Scholastic and will be delivered to the school and given to the Class teacher for distribution. Owning your own books is something special! Each order helps earn free books and teaching materials for our school, however there is never any obligation to place orders. I know of no better way to encourage reading than to allow children to choose the books they want to read.

I hope you enjoy Book Club in 2018!
