TUESDAY 23RD JULY
First day of school—
students

THURSDAY 1ST AUGUST
Jeans for Genes Day

From the Principal

Dear Parents and families,

Yesterday, the Year five/six students and Mrs Rooney headed off to Kulin Camp for the week. We all hope that they have an amazing time and come back with some great memories. It's incredible that we are into the last week of Term 2. This year has flown by and I can't believe that I have now been at the school for a year. Thank you to everyone for your support, I am certainly enjoying working with such a fantastic community.

Circus Skills at Salmon Gums

Thank you to Clinton from 'Circus Challenge' and also the staff and students at Salmon Gums Primary School. We had a fantastic time and were really entertained by Clinton's energetic, funny and skillful performance. The students had a great time learning to juggle, spin plates and form human pyramids. Check out the school website 'www.scaddanps.wa.edu.au' to see photos from the day.

Student reports

Student reports will be issued for Kindy – Year 6 students on Thursday 4th July. If you have any questions about your child's progress and or report, please do not hesitate to make an appointment with class teachers.

Transition Morning

On Thursday 4th July, we are looking forward to seeing parents and children who might be joining the Scaddan Primary School Community after 2019. It's a great time to meet with staff and spend time in the school environment. Thank you to the P&C association for creating opportunities that will prepare younger children for their transition into school.

School Development Day

On Monday 22nd July, the staff have a School Development Day. The students will begin Term 3 on Tuesday 23rd July.

Choir

As you may be aware, Lynne Norwood and Mandy Bouckaert are currently working with our students on a Tuesday afternoon to prepare them for the Esperance Music Festival. The students are sounding great and I have been impressed with how quickly they are learning the lyrics. Thank you so much to Lynne and Mandy for giving up their time.

Junior Class

The Junior Class plus our Year 3's had a great time yesterday afternoon learning to play some games from past years and also making ANZAC biscuits. A great way to finish off the HASS work that they have been doing in class. A huge thank you to Stephanie Gilmour, Mandy Bouckaert and Catherine Sanderson for helping with the activities.

Kindergarten Students—Semester 2

Kindergarten will be held 3 days a week in Semester 2. The kindergarten days will be Tuesday, Wednesday and Thursday. If you have any queries or concerns regarding your child please contact the school.

Student Forum Newspaper

During the last couple of weeks, members of the Student Forum have been producing a school newspaper which they have named the 'Scaddan Express'. They have certainly done an awesome job and it's well worth having a look. The newspaper is on the school website under 'Student Forum'. The aim is for the school leaders to create an edition twice a term.

Assembly—Junior

I really enjoyed the Junior Class assembly. The class has certainly embraced 'Talk for Writing' and the feedback from the students is that they are really enjoying the writing experience. Their performance of 'How to Track a Dragon' certainly kept us entertained and really showed the process that the students are going through to develop their texts. Great job, Juniors!

Congratulations to our award recipients: *Charlie A, Ethan, Stella and Bridie*. Aussie of the Month: *Charlie V*. Our second Value Token draw winner is *Stella*

SCRIBIT—30 reads: *Lucas, Aidan, Charlie V and Caitlyn*. SCRIBIT - 90 Reads: *Josh*

PJ Day

Thank you so much to Miss Hatton for organising PJ Day. The students really enjoyed dressing up (or down), bringing their favourite cuddly toy and sharing their favourite books. Thank you to all those who supported the day; we managed to raise \$45!

Better Beginnings

This is a message to Kindy parents. Today your child will be bringing home a green bag entitled 'Better Beginnings'. This has been provided by the State Library of Western Australia to support Early Years reading. Through 'Better Beginnings', we want every child to have the wonderful and very important experience of sharing books and stories with the adults in their life right from the time they are born. 'Better Beginnings' supports parents in reading to children so that they build the early literacy skills they need to become good readers and succeed at school!

Thank you to all those involved in providing the resources. To read more on 'Better Beginnings' go to www.better-beginnings.com.au.

Woolworths Earn and Learn Stickers

Woolworths Earn & Learn stickers has ended and the applying of stickers to the sticker sheets has begun. Many thanks goes to Miss Nicola Crawford who volunteered her time last Thursday to assist the school in placing stickers on the sticker sheets. Thankyou to the Scaddan PS community and the wider community for placing your stickers in the Scaddan PS Earn and Learn sticker box, your support for our school is greatly appreciated.

Have an enjoyable and safe holiday.
