Faction Carnival

From the Principal:

Dear Parents and families,

Welcome back.

I hope you all had an enjoyable summer break and that you are refreshed and looking forward to the year ahead.

It has been great to see the students return to school so positively and ready to learn. Last Tuesday was the first day for our new Kindy students and it was wonderful to have Charlie, Aleisha, Ryder and George begin their learning journey at Scaddan Primary School.

A warm welcome to Miss Samantha Hatton our Junior Room Teacher. I saw Samantha teach in 2018 and she certainly gained a great reputation during her time at Esperance Primary School. I know that our students will have a great year of learning.

Samantha joins a fantastic team and it is great to have Mrs Rooney, Mrs Crawford, Ms Harry, Mrs Berry, Mrs Wandel and Mr and Mrs Bailye continuing in the same roles as in 2018 and continue to give amazing value to Scaddan Primary School.

Student Leaders

We formally welcome our new student leaders for 2018, Alby, Thomas, Stella, Liam, Lucy, Cooper and Neela. Our first Student Forum meeting will take place on Wednesday 13th February.

P&C AGM

On Thursday 21st February at 10.50 am, we will hold the 2019 P&C AGM. Your input and commitment to school is invaluable and we are truly appreciative of the time you give to groups such as P&C and School Council. I look forward to seeing you all and hope that many of our new parents will be able to join us.

Senior Assembly

Our Senior Room Students will be hosting the first assembly on Thursday 21st February. I look forward to seeing as many parents and families as possible.

Pride ~ Excellence ~ Respect ~ Nurturing

Census

We currently have an enrolment of 24 students from Kindergarten – Year 6. The Department conducts a student census at the beginning of each semester. These numbers will be submitted to the Department on Friday 15th February to ensure that we are resourced as a school to provide the best programs possible.

Scitech Incursion

On Thursday 21st February, we will be visited by Scitech. The focus of the incursion is science (especially chemical and physical science). Joining us for the incursion will be the students from Salmon Gums PS. An excursion note will be sent home with students later this week.

Newsletters

Newsletters are sent home every fortnight on a Tuesday. A hard copy of the newsletter will be sent home with the eldest student in each family and an electronic copy will be sent via email with links to the Scaddan Primary School website.

Scaddan Primary School Website

During term 4 2018, the school website went through some changes. If you haven't visited the website, we encourage you to have a look. We would love to hear your feedback and also any suggested additions. Please visit www.scaddanps.wa.edu.au

On Entry

On-entry Assessment Program – Kindy to Year 2. Yesterday, all Junior room parents would have received information about the On-entry Assessment taking place in the junior room over the next few weeks. The main purpose of the On-entry Assessment Program is to provide us with information about the skills and understandings that a child brings to school. Conducting this assessment early in the year ensures that Miss Hatton has information about the current skills and understandings of each child to assist in the planning and development of targeted learning programs that address the needs of each individual and identify children who may require early intervention or extension. This approach is supported by national and international research into the early identification of students' literacy and numeracy skills. If you have any queries regarding the assessment, please see either Miss Hatton or myself.

Ministers Statement

This week the Minister for Education and Training, Hon Sue Ellery MLC released a statement in regards to violence in schools. I have attached a letter in regards to this statement. If you have any queries, do not hesitate to contact myself.

A couple of reminders

If you are picking up your child from school, please put a notice on the bus whiteboard. Also, parents that pick up students, could you please walk past the admin block and around the verandahs to collect students. We are just trying to model to students, that crossing where the buses arrive and depart is not the safest option.

Kind regards,

David Vooght-Simpson

Aleisha—8th

FEBRUARY

Stella—14th

Lucy—20th

Bridie—24th

Voluntary Contributions and Charges

We are now collecting Voluntary Contributions and Charges. Endorsed by the School Council and provided to all parents at the end of last year, these payments greatly assist in the provision and planning of a range of activities for your children. Please make cheques payable to Scaddan Primary School or directly deposit into the school account (details provided on the 2019 Voluntary Contributions and Charges sheet). If you need any more information do not hesitate to contact Mrs Berry in the office.
