## From the Principal:

**Dear Parents and families,**

Every day at Scaddan Primary School I continue to be impressed by the wonderful 'feel' we have here. All the students are extremely considerate towards one another and really care about each other's welfare. Scaddan PS is a wonderful place to come to learn, play and work.

### Senior Room Assembly

I am very keen to experience my first Scaddan assembly, which our senior students are hosting this Thursday. Commencing at 9:00am in the senior room, I look forward to seeing as many parents and families as possible. Following the assembly is a shared morning tea and P & C meeting. Please ensure ingredients are clearly labelled.

### NAPLAN Online

This year our year three and five students will be taking their NAPLAN assessments 'online'. Scaddan Primary is part of an extensive trial for NAPLAN Online in 2018. Year five students will complete all the assessments on computer, while year three students will continue to complete their writing assessment on paper and all other assessments online. Later this term the students will be taking part in a 'practice' assessment to ensure our technology will cope with the process and more importantly students will become familiar with the online test environment.

It is envisaged, that from 2019, all schools throughout Australia will complete the assessments online.

### MSP School Photos

Our school photos are taking place next **Tuesday 27 February**. All students are required to wear formal uniform for the photos. All photos ordered will be through the online ordering system this year. If you have any issues with the ordering system – please contact Mrs Berry in the school office.

Formal Uniform = White shirt, Blue bottoms.

### **On-entry Assessment Program – Kindy to Year 2.**

Last week all Junior room parents would have received information about the On-entry Assessment taking place in the junior room over the next few weeks.

The main purpose of the On-entry Assessment Program is to provide us with information about the skills and understandings that a child brings to school.

Conducting this assessment early in the year ensures that Miss Shoobert has information about the current skills and understandings of each child to assist in the planning and development of targeted learning programs that address the needs of each individual and identify children who may require early intervention or extension. This approach is supported by national and international research into the early identification of students' literacy and numeracy skills.

If you have any queries regarding the assessment, please see either Miss Shoobert or myself.

### **Faction Athletics**

The students are busily preparing for the Faction Carnival – on **Thursday 8 March**. BUT, I wonder how the parent preparations are coming along at home on the farm. Rumours have it, there is some secret training happening in preparation for the parent 'Wellie Boot Throw' and the parent 'Egg and Spoon race' – both of which will be a highlight of the day!

### **P&C**

## **Welcome to Scaddan P&C 2018**

Dear Scaddan Primary School Parents, Caregivers and wider community,

I have been given the privilege of becoming the Scaddan Primary School P&C President for 2018. I would firstly like to say a huge thank you to Lynne Norwood for her wonderful work as President over the last 3 years and I am grateful that she is continuing her leadership role though the Vice-Presidency this year. I am also grateful that Aneka and Chantelle have chosen to continue their role as Treasurer and Secretary and to all the other members who have taken on roles within the P&C.

In my role as President, I will endeavour to maintain and improve the connection the school has with the community and also with future and past families. We are a fantabulous community and school and I hope to showcase and represent this throughout the year.

If there is anything that you wish to discuss with me in relation to:

Relating information to the school in a formal manner.

Questions about school events and the roles a parent plays in it.

Concerns.

Ideas for fundraising.

Anything you can think of that will in some way benefit the students and school community.
